Girls in ICT

Connecting girls; creating brighter futures

Interactive Vlogging Competition

Questions

How do you use social media to improve communication amongst your peers?

How do you use ICT to help with education?

How do you use ICT to be creative?

Do you think that you will pursue a career in ICT? What and Why?

What technological change would you like to see in St. Kitts and Nevis?

Overview

Teams must collaborate with one another and talk about personal experiences where ICT has helped them by answering questions. Teams can also share or show ICT in live action from their views.
